

Bachelor of Psychiatric Nursing Program

Invitation to Start a rewarding Career as a Registered Psychiatric Nurse

Dear Learner,

Kwantlen Polytechnic University is pleased to announce the offering of the Bachelor of Psychiatric Nursing Degree through the Faculty of Community and Health Studies in the Fall of 2009, for those who are looking for a rewarding career as a Psychiatric Nursing Professional. Application deadline is July 30th and seats are awarded to qualified individuals on first come first serve basis.

If you are people oriented, looking for challenges while helping others to empower themselves to heal and achieve their life dreams and care about the well being of the others, this may be the avenue for you to develop your career.

For information related to course details, application form and admission requirements for Kwantlen Polytechnic University please visit the website at <http://www.kwantlen.bc.ca> . Once in the site you can access all application and faculty information by clicking on the “Future Students” Tab. In addition to formally applying to the Registrar, please indicate your interest, or direct inquiries to the Program Coordinator, by contacting Dr. Gamini Randeni.

Dr. Randeni’s contact information is as follows.

If you have the right qualifications, this may be the right fit for you. The program offers unique opportunities to develop careers in a variety of avenues in the

mental health field from front line to excluded management positions along the streams of community, forensic and acute-care psychiatric nursing.

The BPN degree program design is flexible enough to accommodate challenges you face both in terms of learning as well as in life as a student to ensure your success. This program has a mentoring component that extends 6 months after your graduation as a nurse.

This is an open invitation for your to call or contact us by email, if you think this is for you.

Wishing you the best with your continuing personal and professional development.

Dr. Gamini Randeni

Coordinator of the Bachelor of Psychiatric Nursing Program
